

Dear Magic Match Sponsor,

On behalf of Cathedral School, we would like to invite you and/or your business, to participate in this unique partnership for the **2017-2018 MAGIC Match Program**. The **M. A. G. I. C.** (Making a Generous Incentive Commitment) Match Program encourages the development of an “adoptive” relationship between one of our classrooms or programs with a local family or business.

The program begins with your tax-deductible sponsorship of \$250, \$500, \$750, or \$1,000 for a full school year. This gift allows for a “match” between your participating family/business and a specific Cathedral School classroom or program. Your donation is used for special projects, well-needed classroom materials, or field trips that would otherwise not be possible due to financial constraints. If you would like, our teachers and staff are happy to keep you informed of classroom projects and progress resulting from the opportunities afforded by your gift.

The Magic Match Program, however, is not designed to end with your generous financial support. The program is designed to support the development of a relationship that will benefit local families and/or businesses and Cathedral students. If you have a business here in Springfield, we encourage an active level of involvement on your part. We welcome having you speak to the children about your business or perhaps arranging a tour of your business. Our children are enthusiastic with an insatiable curiosity and you would enjoy their company.

In appreciation for your support, we provide exposure to our entire community of students, families, parishioners, and friends. Your name is displayed in a variety of ways: School newsletters, Parish Bulletin, Chimes publication (with a circulation of over 2,500), the school website and signs outside the classroom door.

We would like to thank you in advance for your generosity, and participating in the 2017-2018 Cathedral Magic Match Program.

God bless,

Tony Cervený
Principal

Jordan Thomas
